Name of tour: Beyond the clouds - Ecological tour to Pedan mountain (№: 1027)

Dates of arrivals:

TOUR PROGRAM (4 days / 3 nights)
 The most favorable season — June-September

Description of the tour:

Group - from 3 to 15 persons

The Pedan mountain, the most picturesque one of Sikhote-Alin ridge (the main ridge of Primorsky region), the height of 4 337 feet. Climbing the legendary Pedan mountain is a good trial of our will and body, but the result is really worth the efforts. Fresh mountain air, picturesque view of Ussuri taiga from the top of the mountain will be pleasant memories for many years.

The tour program can be changed according to the interests of the clients. The tour program can be changed according to the interests of the clients. You also can order **an additional excursion** or **suburb tours of Vladivostok** to make your vacation more brightful.
